

Purchasing Elevate Codes for a School Account via E-Sales

On the shop page <https://www.na.shop.cambridgescp.com> click on the link to our subscription calculator:

For **school accounts** please first determine your subscription cost using our online calculator here (include students and teachers in 'Number of users'): [School subscription cost calculator](#) ←

Input your number of users (don't forget your teachers!), duration of the subscription, and desired currency into the calculator:

Number of users *
61
(minimum 5)

Number of months *
10

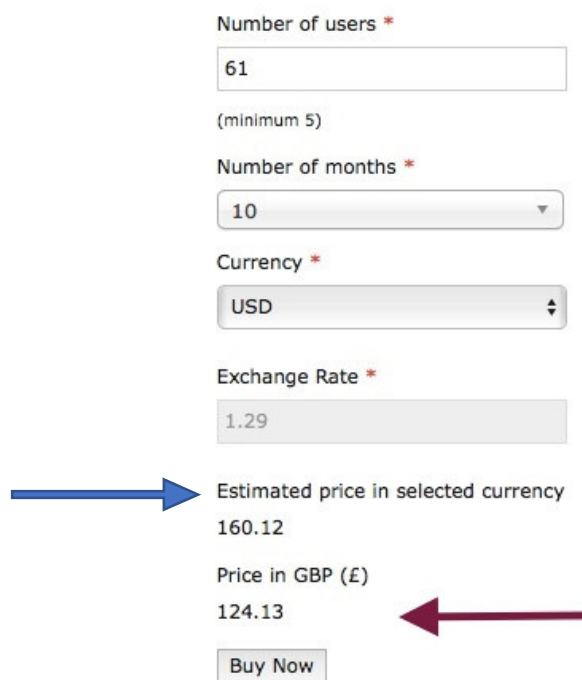

Currency *
USD

Exchange Rate *
1.29

Estimated price in selected currency
160.12

Price in GBP (£)
124.13

Buy Now

This calculator will produce a price in both your selected currency (blue arrow) and also in GBP (£) (red arrow). **Make a note of the price in GBP.**

Hit 'Buy Now' and it will take you to the University of Cambridge's e-sales interface:

Cambridge Latin Course 4th Edition Online Multi-user Subscription

Amount (£) - +

Add to Basket 

Description

This product provides a 6 month, 8 month, 10 month, or 12 month subscription for the number of individuals specified to the North American 4th edition Cambridge Latin Course webbooks and digital activities. The webbooks and digital activities are hosted on Cambridge's Elevate platform.

Detailed Description

Please use the [cost calculator](#) to calculate the correct subscription amount, enter the figure in the box above, and click 'add to basket'

On this page, leave the number of units as 1 (blue arrow) and enter the **GBP** amount that you produced using the cost calculator in the box indicated by the red arrow. Click 'Add to Basket'. You will be taken to a screen requesting more details about you and your order:
